EL CONTADOR DE ARENA (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: Spanish . Brand New Book ***** Print on Demand *****.Despues de haber transitado por algunos talleres de narrativa, Ignacio Yepes Beltran salta al ruedo literario venezolano con su primera publicacion El contador de arena. Son quince relatos que, empezando por Caribe, le exige al lector su complicidad a traves de diversos mundos producto de un trabajo concebido desde una escritura para atrapar, algunos enfocados desde la cotidianidad pero siempre sublimados como haria un gran hacedor de historias. Fabulas como la de Un sueño con Cristina y su duro desenlace; el conmovedor relato homonimo a este debut literario, pasando por el coqueteo con el humor negro en Mientras llega el avion ; un guino a los fanaticos del futbol a traves de una inesperada historia en El cuadro y el viejo, hasta llegar a lo que pudiera intuirse como un parte policial en El ciudadano Toledo con una variopinta manera de percibir a una misma persona. Mas alla de lo anecdotico en cada uno de los relatos de El contador de arena, Ignacio Yepes Beltran evidencia su buen uso de la palabra y el claro disfrute del proceso creativo. En el ya se ve un oficio forjado en el tiempo gracias a la maxima de ser un buen lector de la literatura universal y local, previo a hacerse escritor. Hay en cada uno de los textos una diversidad de temas con el cual seguramente lograra la empatia necesaria de quien se acerque a sus paginas. Este ingeniero de profesion viene a reivindicar a sus colegas, pero sobre todo a aquellos que ven en las letras una inevitable atraccion y manifiestan un profundo respeto por la palabra bien escrita.
