But the touch of one woman could change his mind-and his destiny. An irresistible force. When Jared Beaudry s restless spirit stumbles across a re-enactment of the Civil War battle in which he was murdered and mutilated, he jumps at the chance to find peace at last. Instead, his desperate leap into another man s body triggers a deadly chain of events nothing can stop. An immovable object. Faced with an entire re-enacting unit possessed by spirits of the dead, psychic sensitive Taylor Brannon s first instinct is to run. But she swallows her terror and stands her ground to protect her friends from a ghost who seems hell-bent on revenge and self-destruction. Spontaneous combustion. Jared s powerful spirit touches her in the most deeply guarded depths of her heart, and after one burning night in his arms, Taylor adds another impossible task to her list: To somehow help Beaudry s Ghost find peace. Caught up in a runaway train of events that races inevitably toward one tragic conclusion, Taylor finds herself fighting for the life-and love-of a ghost. The cost could be her soul. Warning: This title contains explicit sex, a couple of recklessly sexy ghosts, bloody battle scenes, spirit possession, and yummy men in uniform.
