

George du Maurier: Illustrator, Author, Critic : Beyond Svengali (Hardback)

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Taylor Francis Ltd, United Kingdom, 2017. Hardback. Book Condition: New. New ed.. 234 x 156 mm. Language: English . Brand New Book. Though well-known as the author of *Trilby* and the creator of Svengali, the writer-artist George Du Maurier had many other accomplishments that are less familiar to modern audiences. This collection traces Du Maurier's role as a participant in the wider cultural life of his time, restoring him to his proper status as a major Victorian figure. Divided into sections, the volume considers Du Maurier as an artist, illustrator and novelist who helped to form some of the key ideas of his time. The contributors place his life and work in the context of his treatment of Judaism and Jewishness; his fascination with urbanization, Victorian science, technology and clairvoyance; his friendships and influences; and his impact on notions of consumerism and taste. As an illustrator, Du Maurier collaborated with Thomas Hardy, Elizabeth Gaskell and sensational writers such as M. E. Braddon and the author of *The Notting Hill Mystery*. These partnerships, along with his reflections on the art of illustration, are considered in detail. Impossible to categorize, Du Maurier was an Anglo-Frenchman with cultural linkages in France, England, and America; a social commentator with an interest in *The New Woman*; a *Punch* humourist; and a friend of Henry James, with whom he shared a particular interest in the writing of domesticity and domestic settings. Closing with a consideration of Du Maurier's after-life, notably the treatment of his work in film, this collection highlights his diverse achievements and makes a case for his enduring significance.
