

## How I Overcame Fibromyalgia (Paperback)

By Edmund S Figure

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.You've been to doctors, you've been diagnosed, and now you are at home with a bag full of drugs and no hope. You are tired and in pain that comes both from everywhere and from nowhere. Welcome to the world of fibromyalgia. The same thing happened to me, but I found the cause of my fibromyalgia and then went on to find a cure. So the message of this book is that you might not have to live with fibromyalgia! This is not a how to cope with fibromyalgia book. In layman's terms, I share my personal experience with the condition. Unlike many authors on this subject, I've experienced fibromyalgia first hand and I have a unique understanding of what this condition can do to a person. I did not accept a diagnosis without a cure, and instead looked past traditional thinking to find first a cause and then a way out of the fibromyalgia maze. While drugs, magic elixirs, and meditation can help you feel better, unless you find the...

### Reviews

*An extremely wonderful book with lucid and perfect information. It is one of the most awesome publications I have read. Your life period will probably be enhanced the instant you start looking at this pdf.*

*-- Prof. Dan Windler MD*

*It is really an amazing publication I actually have at any time read. It is really simplistic but unexpected situations inside the 50 percent of your pdf. It's been written in an exceptionally simple way in fact it is just right after I finished reading this ebook where it actually transformed me, altered the way I really believe.*

*-- Dr. Celestino Spinka III*
