

Improve Your Aural!: Grade 5: A Workbook for Aural Examinations (Paperback)

Filesize: 5.94 MB

Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

Faber Music Ltd, United Kingdom, 2009. Paperback. Book Condition: New. Workbook. 297 x 223 mm. Language: English . Brand New Book. The very thought of aural, especially in examinations, strikes fear into the heart of many young pianists and instrumentalists. But aural should not be an occasional optional extra, it s something to be developing all the time, because having a good ear will help you to improve as a musician more than any other single musical skill. Improve Your Aural! is designed to take the fear out of aural. Through fun listening activities, boxes to fill in and practice exercises, these workbooks, each with CD, focus on all the elements of the aural test. And because all aspects of musical training are of course connected, a range of interconnected activities are included to help develop the ear including singing, clapping, playing your instrument, writing music down, improvising and composing. Improve Your Aural! also fulfils all ABRSM exam requirements, ensuring success in the aural test of graded exams.
