St Christopher's Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Heaven on Earth Honeymoon Islands, Sarah Siese, Amanda Statham, How do you find the perfect honeymoon - the holiday with the greatest potential to be treasured like no other? Heaven on Earth specialises in singular, inimitable experiences. Chapters roam from private islands in the Caribbean to buzzing metropolises - rooms range from those filled with state-of-the-art technology to rustic simplicity. However, all the locations have certain things in common: seamless service, indigenous mystique, and a range of experiences tailored for honeymooners. Far from the usual cliches, memorable experiences could include anything from swimming with endangered whale sharks, to a sand-between-the-toes dinner candlelit by the Southern Cross. The locations truly have been gathered as a labour of love. Unlike any other book in this genre, hotels can't buy their way in. Selected destinations were vetted, visited, and scrutinised to the finest detail, and only our favourites, those that soared above the rest, have been included in this elegantly designed book - your ticket to the perfect honeymoon. Expert romantics Sarah Siese (founder of Heaven and Earth) and Amanda Statham (travel editor of Cosmopolitan and You & Your Wedding magazines) know their topic. They are lucky enough to travel the world in the name of duty and have the nerve to call it work; their collective knowledge has encompassed everywhere from Anguilla to Zanzibar. The buck stops here for romance unlimited. Marketing and PR will be carried out throughout 2011; leading up to the launch on Valentine's Day and afterwards at national launches, regional book signings and specialist travel and wedding exhibitions. Trade and national press are already asking for details and images for reviews.
