## SAP RISING (PAPERBACK)

VINTAGE, United States, 2002. Paperback. Book Condition: New. Reprint. 203 x 132 mm. Language: English . Brand New Book. In this spare and mesmerizing debut, Christine Lincoln takes us inside the hearts and minds of African Americans whose lives unfold against a vividly evoked rural community. As they navigate between old and new, between youth and responsibility, they find themselves choosing between the comforts of what they trust without question and the fearsome excitements of what they might come to know. One young man's world is both expanded and contracted by stories he hears from a beautiful stranger. Another stumbles across his mother having an affair with his uncle. An intense friendship forms between one woman afraid she will turn out like everyone else and one afraid she won't. Lincoln's down-to-earth voice, saturated with the manner and details of the South, brings her characters to life with a remarkably light touch and an extraordinary depth of emotion. In *Sap Rising*, she proves herself one of those writers whose work transcends its own rich particularity to speak with clarity to the most fundamental elements of the human experience.
