By Miss Sarah Hindmarsh

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A book that does exactly what it says on the cover. Writers who need a little inspiration, or who just like to complete writing exercises to flex their creative muscles every so often, will find this volume invaluable. You will find eleven different types of writing prompts inside which can all be used in different ways and lend themselves to exercises of different lengths of time. There is no need to work through the prompts in order, dip in and out and find prompts that speak to you, maybe even help you with your current project. A word of warning, the pictures inside are designed to be used as writing prompts and not to appreciate their artistic value. Most are from free-to-use stock photo websites and as such are not high-quality prints and may have retained the watermark. They still serve a purpose as writing prompts.
