Brand New Book ***** Print on Demand *****.Excerpt from A Socialist Catechism The recent elections in the United States differ from the quadrennial sprees of Sir Demos wherein he has hitherto zigzagged reeling from one of the old parties to the other. They mark rather a certain sobering up in him and a definite straight-forward step, namely from business controlled politics to economics. It is no less than the descent of the Great American Business Man and the ascent of the American Working Man and the Common People. Heretofore it has been sufficient for the Republican politicians to appeal for a business administration with the threat of an endangered prosperity. This time, having learned that the prosperity is none of ours, we have left business to its own resources, especially as the corner grocery man complained to the anxious housewife that it no longer reaches him. The Hobson s Choice of the Democratic politicians does not indicate that the people are quite so asinine as to turn back from the trusts to competition. It merely indicates that the big brute King Elephant shall no...
